Usage Areas:

Suitable for any masonry surface, asbestos surface, brickwork and other puttied surfaces where decorative paint will be done.

DIRECTIONS FOR APPLICATION:

Surface Preparation:

The newly prepared brick surface or old painted surface needs to be repaired properly and checked for cracks, leakages, undulations and rust. Loose paint, dirt & dust to be removed via sanding and crack bridging be done using Berger Home Shield crack fill paste. 2 coats of Bison Happy Wall putty to be applied with 4-6 hrs of drying time to finally prepare the surface for primer application.

Primer Application:

Italian Decorative Primer should be diluted with 5-10% water. Apply one coat of the product evenly on the smooth and compact prepared surface. If covering a previously colored surface, a second coat of the product may be applied.
