The Diamond Collection represents a perfect infusion of starry skies and luxurious interiors. The texture uses light and glitter to create an enchanting, dazzling effect on the walls, making every space it touches into an admirable piece of art.

### Usage Areas:

Suitable for a various surfaces including walls, ceilings, and furniture. Can be used in both residential and commercial settings to enhance the aesthetic appeal.

### DIRECTIONS FOR APPLICATION:

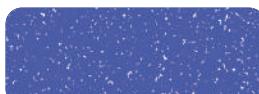

#### Surface Preparation:

Italian Decorative Primer should be diluted with 5-10% water. Apply one coat of the product evenly on a smooth and compact surface. If covering a previously colored surface, a second coat of the product may be applied.

#### Design Application:

Take the Diamond Base product and color it with a maximum of 2-3% colorant (depending on the concentration of the colorants) and mix carefully. Add the glitter to (Diamond Glitter Gold/Glitter Silver) to the colored Diamond base product in the ratio of 15-20%. Using a spalter brush, spread the product evenly on the surface. While the product is still wet, go over the surface with the flexible stainless-steel trowel to make it perfectly uniform. Wait for the product to dry completely and repeat the application as previously described the day after.

#### Finish:

Diamond (DI080) +  
Silver Glitter

Diamond (DI003) +  
Silver Glitter

Diamond (DI084) +  
Silver Glitter

Diamond (DI032) +  
Silver Glitter

Diamond (DI640) +  
Golden Glitter

Diamond (DI026) +  
Golden Glitter
